

May 25, 1969

Dear Linda,

Thursday was an eventful day for us. All of the children brought sack lunches so that we could eat at Gage Park.

The weather changed our plans when it started to shower so we ate in the classroom and had a tour of the zoo in the afternoon.

We had a very good trip - the weather was cool and most of the animals were

out for us to see them.

May 29th is our last day of school and then everyone will learn if they have been promoted. Several of the children are planning to attend Summer school. It will be interesting to know if you are doing P3 work in your new school.

Tomorrow we will have a Talent Show and I'm sure there will be many surprises and much fun!

We will have Field Day on
Wednesday. P₂ and P₃ will
participate in 25 yd. dash, 50 yd.
dash, sack race and rope jumping.

All of us send our best wishes
to you and your nice family.

Sincerely,
Edith Copenhagen
