

*ON YOUR BIRTHDAY From Both  
Of Us*

My Dear Linda:

I just want you to know  
Linda we will be thinking  
of you while we are out of  
town for a couple of days.  
Just keep up the good work and  
take each day as it comes or even  
break it down and take each hour  
as it comes, as you can't see what's  
ahead, neither can we go back. Just  
take care of "here and now".

I enjoyed visiting with you on  
the phone last nite, you sounded so  
good to me - always remember  
"Easy Does It".

We hope to get back to see your  
folks Sunday, if we don't tell them  
the "for us".

We love you Linda and  
are behind you, all the way  
"Love"

Charlie & Cecelia

Dear Linda:

One of us hopes  
that your birthday will bring  
all that is happy and every nice thing...

The other one hopes  
that your year will be bright  
with gladness and everything  
going just right...

Now combine both our wishes  
made especially for you  
and you'll have a bright day  
and a happy year, too!

HAPPY BIRTHDAY!

You are Unique & Precious  
I Love You,  
Cecelia
