

December 6

Dear Linda,

We're in the very early planning stages of a State Round-Up here. We're looking at the weekend of Feb. 15-17. The Round-Up will be here in Wichita, but we really want state wide participation. What do you think? Any suggestions about good speakers, workshop topics etc. will be much appreciated. Anyone who wants to get involved should get in touch with me soon. Please spread the word so people can plan ahead to attend. I'd really like to know how you feel about the whole deal. Let me hear from you, please.

Love,

Barbara J.
