

When you're away...  
I miss you a lot  
and the world  
just seems  
dull and ordinary...

A watercolor illustration of a window scene. The window is divided into panes, with light green and yellow washes suggesting a view of nature. To the right, a potted plant with vibrant green leaves sits on a windowsill. The overall style is soft and painterly, with visible brushstrokes and a warm, bright color palette.

When you're here...  
The world suddenly  
becomes bright and beautiful  
and I can't seem to stop smiling.

I love you, all  
the time
