

**Hi!** I'm your  
BIRTHDAY  
card!

My job is to wish you  
a very Happy Birthday!

**Y**ou know, you've got  
nice hands.

**I** like the way  
you're holding me.

**I** must admit I was  
a little frightened  
at first--the way you  
tore open the envelope.

**B**ut now I can tell  
by your touch that  
you're a strong, warm,  
sensitive person.

**B**ut don't get fresh  
or I'll give you  
a paper cut  
you won't forget!

At any rate,  
have a very  
Happy Birthday!

*Roy*
