

Wish We Could Be Together

"In Jesus we are never far apart."

Miss you both very much but
are glad to see you doing what
your heart told you to do. A
little something to help you both
out.

Wish we could be together
as the holidays draw near,
for being with you always brings
special blessings to the year . . .
But even though this season
finds us far apart,
the presence of the Saviour's love
keeps us close in heart.

Have A Blessed Christmas

"Behold, a virgin shall be with child,
and shall bring forth a Son, and they shall call His name Emmanuel,
which being interpreted is, God with us."
