

*For A Dear Friend*

*It makes me happy all year round  
To have a friend like you,  
Because of all the cheer you bring,  
The warmth and gladness too,  
And it doesn't take a special day  
To tell you that I've found  
The world's a nicer place to be  
Whenever you're around.*

*"ASK, AND IT SHALL BE GIVEN YOU;  
SEEK, AND YE SHALL FIND..."*
