Dear Linda & Al -

Thank you so much for
the kindnesses you've shown
me during my illness. Your
visits have meant so much -
I have enjoyed my book, but
most of all, thank you for your
love and prayers.

I am feeling stronger and
better with each day. I just be
glad when I'm off all this
medication and get rid of
all the cob-webs in my
head.

Again - my thanks for
everything -

Love
Linda
