

I heard it was your birthday  
and to show my high regard,  
I thought I'd buy a present  
with my trusty credit card..

I bopped into my favorite shop  
and pulled that sucker out,  
but when they phoned my number in,  
the clerk began to shout --

"Your credit is in rotten shape,  
and here's the reason why--  
Your payment's six months overdue,  
Your balance is sky-high!"

BOWSER

If you don't settle your account,  
a lawyer will be hired,  
and as of thirty days ago,  
this damn thing expired!!!"

Then--BUMP--I was back on the street  
and feeling so-o-o-o depressed,  
'Cause I was mighty low on cash  
(As you have probably guessed!).

But then it hit me like a flash,  
the perfect thing to do --

I melted down my "plastic"  
And made this wish for you...

HAPPY  
BIRTHDAY

ps. If I was  
here I would  
take you out for  
dinner. Since I'm  
not, take yourselves  
out.

Love,  
Diana
