Linda,

Friday, June 2³, 95

Meeting you has warmed my heart - you're so special!

Thanks for sharing with me -

I needed your loving concern -
I've been lonely this week and
cry for the way things have
turned out - but for now -

I can only trust in the Lord. Yes, he watches out for me too. And, yes, I am also thankful!

I'm going to see to it that your next trip here is going to ^{be} special for you! - I can't wait to spend more time w/ you!

Please take care &

Call me!

Have a wonderful Day!
