

October 1995

Dear Linda,

I hope this week will go well specially Wednesday. I am sorry I have not had any time to visit, I have been so busy for the last month that it has been crazy.

Thanks a bunch for the right size coffee filters, help yourself to some coffee whenever you feel like it.

Here is your formal invitation to Titanic hopefully to go with an exciting companion. I look forward to lunch soon and school will be over soon.
