

For My
Lovely
Daughter

Who Has Taught Me
So Much

Dear Linda,

Through the years, I've guided you,
as parents often do,
And though I've been your teacher,
I have also learned from you.
You've taught me to appreciate
so many simple things,
To look with curiosity
and joy at all life brings.
And, Daughter, I feel lucky
you're so special and so wise -
For the world is truly lovely
when I see it through your eyes!

Happy Birthday
and Lots of Love
Best Wishes,
Mom
