

*Wishing You a Future  
Filled With Success*

*Success is measured  
not only in achievements...  
but in lessons learned,  
lives touched,  
moments shared along the way.*

Linda,  
I am glad I had the opportunity  
to meet you. You are an  
inspiration to anyone who has  
taken the time to know you.

May your future be filled  
with wonderful opportunities,  
new experiences, and success  
in each goal you pursue.

You will be missed  
but I will not forget  
you.

A friend,  
Susan W.
