

In this time of sorrow
may it help you to know
that others are thinking of you.

Linda,

I'm Really sorry to hear
about your dad. I hope
you are getting along ok.
Being with your family
will make it easier, although
it is never easy when someone
dies. My prayers are with you.
Love Robin

© RECYCLED Paper Greetings™

Recycled Paper Greetings pioneered the use of recycled paper in greeting cards in 1971, and today publishes cards with the highest available post-consumer waste content.

Recycled Paper Greetings offers the best work of more than 150 great free-lance artists, and loves doing it. Our cards convey the sophisticated humor, old-fashioned friendliness and expressions of care so important to our family of customers.

So we ask: Why On Earth Would
You Send Anything Else?®

This card is printed on 100% recycled paper.
