

Dear Linda,

Happy Birthday and many more. Here is my favorite cat I'm sure you can paint yours w/ Slowish since it is your cat.

I've enjoyed your friendship and you are an interesting person.

You have beautiful green eyes, and a good imagination.

However I told someone in Arizona I had a vivid imagination & they sent me back to Kansas. ^{Love} Connie & Jack
Hope your B-day was blessed.

Art By and on Behalf of Mentally Ill Persons

The severe mental illnesses are biomedical puzzles. These illnesses affect many human functions, including the thought processes in the schizophrenias and the moods and emotions in depression and manic depression.

NARSAD, the National Alliance for Research on Schizophrenia and Depression, was founded by the National Alliance for the Mentally Ill, The National Depressive and Manic Depressive Association and the National Mental Health Association in 1986.
