

*A
SISTER
MEANS SO
MUCH*

*Christmas--
season of kindness,
of giving and caring,
season of helping
and happily sharing,
Christmas--the season of love.*

*I*t seems every Christmas
gets a little more meaningful,
a little more special in the heart.

Maybe it's because each year,
as time passes,
family ties become more
and more important.

And this Christmas,
it seemed especially important
that you know exactly how much it means
to have you for a sister.

*WISHING YOU JOY
AT CHRISTMAS AND ALWAYS*

*Love,
Diana, Carl & Ben*
