Dear Linda,  
Thank you for the Christmas card & for the  
subscription to Headpost! I am glad I have your  
new address also.

Are things going pretty good for you now? I'm doing  
pretty good now - I just can't quite get all of my  
doosung so therefore I can't go out to meetings  
much. My NA birthday was Dec 26<sup>th</sup>  
(11 or 12 years) but I haven't got to celebrate  
& pick up my coin

I have a very good therapist now. He is a  
psychologist & is very knowledgeable & wise  
but very down to earth & so it's very easy  
to talk to. He thinks I need a computer to do  
certain things I could do, but I wouldn't  
have any idea how to use it. Of course, there  
is the expense which is really the cost that  
stops me.

They have a new P. chairman for the area  
& he seems very motivated. But I guess they don't  
want a separate phone line, but my name is at the  
top still. I love you & take care
