

Thanks Lord For The Merrillat Kids  
Oh you Merrillat kids, you are such a  
blessing to me  
and I feel sure that you will al-  
ways be.  
you all have grown up now, & are  
sweeter than ever -

Could anyone else take your place  
in my heart? No, no-never.

You've meant so much to me, ~~me~~  
over the years  
We've shared many things together;  
happiness, smiles & tears.

I don't get to see you quite as often now,  
but we have always managed to find a  
way, somehow.

I could never thank you for the joy  
you've given me

and that's why I feel so blessed, don't  
you see.

Oh yes, I count my blessings, every-  
day

and I pray our relationship, stays  
this way.

Love ya'

Aunt Louise

(Today I give thanks for you!)
