Hi! We had another work
team come two weeks ago
so I've been at the school
doing physical labor again.
The team goes back on Mon.
so will send this with
them. I'll be here for a
few more days helping Randy
wrap things up, then I'll
be back in Istanbul. We
took a break last weekend
and went to Ephesus. It
was awesome!! To think
Paul walked there almost 2,000
years ago. Hope all is
well w/ you. C
