Dear Linda,

You have a birthday coming soon and I don't want to forget your special day. Hey! Hey!

I hope everything is going well for you & Charles.

I called you about, Richard Buck. Dad but I believe he is in a happier place.

Everything here is about the same. Haven't been to a meeting for awhile, but read my books etc.

Has a gal call me today on her 27th birthday. So nice to hear from her. Doing well.

The best to you & Charles Greetings

Happy Birthday

Love,

Dumalee
