

*Thank You*

Dear Linda and Charles,

Thank you so much  
for stopping by with  
the barbecue and all  
of the things to go with  
it. That's one of my favorite  
meals - and it turned out  
to be great comfort food  
for us. Even Mom commenting,

though, would  
you stepping by  
and your caring.

I very much appreciate  
your offer of help and  
your friendship.

With gratitude & love,  
Mary and family
