

May 21, 2017

Dear Linda,

Thank you so much for your thoughtfulness. I'm touched by your generous retirement gift. I, like most, am a frequent Amazon shopper! I also truly appreciate all the work you contribute to the SOU. You've shared your knowledge with so many of the faculty and staff. You've made work so much better and easier for SOU employees.

Have a great summer. Enjoy being a mom!

Kindly, Sue
